RESOLUTION NO. R-97-17

A RESOLUTION of the City of Pullman, Washington, providing for the form of the ballot proposition and specifying certain other details concerning submission to the qualified electors of the city at a special election to be held therein on February 13, 2018, of a proposition for the issuance of its unlimited tax general obligation bonds in the aggregate principal amount of not to exceed \$2,400,000, or so much thereof as may be issued under the laws governing the indebtedness of the City for the purpose of providing funds to finance improvements, repairs and upgrades to certain city parks, and improvements to and creation of certain city paths.

WHEREAS, the City of Pullman, Washington (the “City”) is a municipal corporation duly organized and existing under and by virtue of the Constitution and the laws of the state of Washington; and

WHEREAS, the City Council has determined that it is necessary and advisable for the preservation of the health and safety of the residents and inhabitants of the City to undertake certain parks and paths improvement projects to make necessary capital improvements to the City’s recreational facilities, all as more particularly described in Section 2 of this resolution (the “Projects”), all through the issuance of unlimited tax general obligation bonds; and

WHEREAS, future citizens of the City will reap the benefits of such repairs and improvements to the City’s parks and paths made with funding authorized by today’s voters, making it appropriate to pay for those improvements over a period of time.

WHEREAS, subject to voter approval, in order to provide financing for the Projects, it is deemed necessary and advisable that the City issue and sell its unlimited tax general obligation bonds in the principal amount of not to exceed \$2,400,000 (the “Bonds”); and

WHEREAS, the constitution and laws of the State of Washington provide that the question of whether or not the City may issue the Bonds be submitted to the qualified electors of the City for their ratification or rejection.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Pullman, that:

Section 1. Findings . The City Council hereby finds and declares that it is in the best interests of the inhabitants of the City to carry out the plans hereinafter provided at the time or times and in the order deemed most necessary and advisable by the City Council.

- (a) the acquisition, construction, equipping and installation of certain repairs and improvements to Reaney Park restrooms, pool liner and shower buildings;

The costs of all necessary architectural, engineering, and other consulting services, inspection and testing, administrative and relocation expenses, on and off-site utilities, site acquisition, related improvements, equipment and other costs incurred in connection with the making of the foregoing Projects shall be deemed a part of the costs of such Projects. Such Projects shall be complete with all necessary furniture, and equipment and appurtenances.

Upon issuance of the Bonds, the City Council shall determine the application of available moneys so as to accomplish, as nearly as may be, all of the Projects described or provided for in this section. The City Council shall determine the exact extent and specifications for construction of structures or other improvements.

If the City Council determines that it has become impractical to accomplish any of such Projects or portions thereof by reason of state or local circumstances, including changed conditions, incompatible development, lack of additional state funding, or costs substantially in excess of those estimated, the City Council shall not be required to accomplish such Projects and may apply the Bond proceeds or any portion thereof to other portions of the Projects, or to other capital improvements of the City, as the City Council may determine is necessary. Alternatively, the City Council is authorized to apply the unspent Bond proceeds or any portion thereof to payment of principal of or interest on the Bonds, as it may determine is necessary.

In the event that the proceeds of sale of the Bonds, plus any other moneys of the City Council legally available, are insufficient to accomplish all of the Projects provided by this section, the City Council shall use the available funds for paying the cost of those Projects for which the Bonds were approved deemed by the City Council most necessary and in the best interest of the City.

If available funds are sufficient from the proceeds of Bonds to accomplish all of the Projects authorized above and proceeds of Bonds remain available, and state or local circumstances require, the City shall use such funds to pay the principal of or interest on the Bonds or acquire, construct, equip, modernize and make other capital improvements to the City, all as the City Council may determine is necessary.

Section 3. Authorization of Bonds. For the purpose of providing the funds necessary to pay the costs of financing the Projects, together with incidental costs of acquisition and outfitting, and costs related to the issuance and sale of the Bonds, the City shall issue and sell its unlimited tax general obligation bonds in the aggregate principal amount of not to exceed \$2,400,000. The Bonds shall be issued in an amount not exceeding the amount approved by the

electors of the City and not exceeding the amount permitted by the constitution and laws of the State of Washington. The balance, if any, of the cost of the Projects shall be paid out of any other legally available funds. The Bond proceeds shall not be used for anything other than a capital purpose.

Section 4. Details of Bonds. The Bonds shall be issued in such amounts and at such time or times as found necessary and advisable by the City Council and as permitted by law. The Bonds may be issued in one or more series and shall bear interest payable at a rate or rates authorized by the City Council. The Bonds shall mature in such amounts and at such times within a maximum term of 10 years from date of issue, all as authorized by the City Council and as provided by law. The Bonds shall be general obligations of the City and, unless paid from other sources, both principal of and interest on the Bonds shall be payable out of annual tax levies to be made upon all the taxable property within the City without limitation as to rate or amount and in excess of any constitutional or statutory tax limitation. The exact date, form, terms, options of redemption, maturities, covenants and manner of sale of the Bonds shall be as hereafter fixed by ordinance or ordinances of the City Council. After voter approval of the Bond proposition and in anticipation of the issuance of such Bonds, the City may issue short-term obligations as authorized by Chapter 39.50 RCW.

Section 5. Election. It is hereby found and declared that the best interests of the inhabitants of the City require the submission to the qualified electors of the City of the proposition of whether the City shall issue the Bonds at a special election to be held on February 13, 2018.
