NOTICE TO RESIDENTS AND NEIGHBORS OF SPRING STREET UTILITY UPGRADES PROJECT

The City of Pullman has contracted with Motley-Motley, Inc. of Pullman, Washington to reconstruct the sanitary sewer in Spring Street between Derby Street and Nebraska Street and Daniel Street and Pioneer Street; replace storm sewer in Spring Street from Main Street to Pioneer Street; and perform other miscellaneous related work.

Work is scheduled to begin on or about May 28, 2019, and be completed by September 20, 2019.

Project streets will be closed to through traffic in sections with detour routes signed accordingly and parking will be prohibited in areas being worked on during working hours. Construction will generally be limited to weekdays from 7:00 a.m. to 10:00 p.m. During construction, roads will be gravel surfaced and in rough condition and some delays should be anticipated. Please limit your speed and the number of trips through the work areas if possible.

Local residents will be allowed access to the work area at all times, though delays may be experienced during active construction work.

We regret any inconvenience to the motoring public and local residents and thank you in advance for your patience and understanding. Please contact me at (509)-338 3303 or sam.nasralla@pullman-wa.gov if you have special access needs or concerns.

Sincerely,

Samer Nasralla, P.E.
Senior Civil Engineer
