July 3, 2019

### NOTICE TO RESIDENTS, NEIGHBORS, AND BUSINESS OWNERS OF 2019 STREET RECONSTRUCTION

The following street sections will be reconstructed under the City's Accelerated Street Maintenance Program this summer:

- State Street from Davis Way to Whitman Street, not including the intersections.
- Cleveland Street from Fisk Street to State Street.
- Skyline Drive from Main Street to Fountain Street.

Work is tentatively scheduled to begin on or about July 8, 2019. The work on State Street will be completed by August 9, 2019, and the work on Skyline Drive will be completed by August 23, 2019. All work is scheduled to be completed by October 11, 2019.

Project streets will be closed to through traffic in sections with detour routes signed accordingly and parking will be prohibited during working hours in areas being worked on. During construction, roads will be gravel surfaced and in rough condition and some delays should be anticipated. Please limit your speed and the number of trips through the work areas if possible.

Local residents will be allowed access to the work area at all times, though delays may be experienced during active construction work.

We regret any inconvenience to the motoring public and local residents and thank you in advance for your patience and understanding. Please contact Samer Nasralla at (509) 338-3303 or [sam.nasralla@pullman-wa.gov](mailto:sam.nasralla@pullman-wa.gov) if you have special access needs or concerns.

Sincerely,

A handwritten signature in black ink, appearing to read "Samer Nasralla".

Samer Nasralla, P.E.  
Senior Civil Engineer
